

# JAY CHANDRA KABDWAL

## SUMMARY

Hello! I'm Jay chandra kabdwal, an aspiring individual with a keen interest in technology and coding. While my current proficiency in HTML, CSS, and C/C++ may be in its early stages, my passion for learning and dedication to expanding my skills set me on an exciting journey into the world of programming.

While I may be at the early stages of my coding journey, I am confident in my ability to grow and adapt. I am actively seeking opportunities to apply my existing knowledge and to learn from experienced mentors who can guide me as I progress in my coding endeavors.
